**PLACE/DATE** Killwangen, 14 January 2017  
**SUBJECT** Team SAS in Budapest at the 27<sup>th</sup> FINA World Masters Championships  
**ATTN. TO** all interested Masters Swimmers in Switzerland

Swiss Alumni Swimming relays always have, since the clubs inception in 2009, successful and accompanied by a lot of fun participated on European or World, as well as on German Masters Championships. With Budapest 2017 it is SAS' intention to attend these World Masters Swimming Championships in top shape and again with a large team.

**Are you interested in joining Masters Swimmers from all over Switzerland in one team and in becoming a part of a uniquely relay experience in Budapest? The competition takes place between August 14-20, 2017.**

The conditions are fairly simple:

- **Requirement 1:** You have a valid annual licence with Swiss Alumni Swimming, **or** you get a secondary licence with Swiss Alumni Swimming (this in addition to your licence with your home club). The secondary licence costs CHF 40, the form to apply for it can be downloaded at the website of Swiss Swimming (see «Masters»).
- **Requirement 2:** You are an accepted full-member of SAS, **or** you apply for a Masters Swimming Membership with SAS for your participation in London. This type of membership goes along automatically with your application for secondary licence and costs CHF 40.
- **Requirement 3:** You announce your interest in joining the team and relays with SAS in London as quick as possible ONLINE here:  
<http://www.swiss-alumni-swimming.ch/register4budapest/>

Be aware that, in case of joining SAS in Budapest, all your individual as well as your relay results will be recorded under the team of Swiss Alumni Swimming!

**Questions?** Your questions with regards to licence issues or your participation at the European Masters Swimming Championships in London with SAS will be answered [here](#).

Announce your interest in fast and fun-packed relays in Budapest as quick as possible by clicking on the above mentioned „[register4budapest](#)“ link. We are looking forward having you in the team SAS!
